Rehabilitation Center of the Prison Service

# COMPLETELY RENOVATED

The Hotel of the Education,  
Training and Rehabilitation Center  
of the Prison Service

# HOTEL RECONSTRUCTION

Thank to recent developments,  
the renewed interior spaces and the modern  
wellness section are waiting for guests  
to have relaxation time or guests  
for educational and training purposes to visit us.

# MODERN DESIGN

The innovative solutions, the unique design and the fashionable furniture are for the settlement of a modern environment, therefore they can contribute to providing a high-quality hotel service.

## RENEWED HOTEL ROOMS

All the guestrooms were primped including the community spaces, like smaller training and conference rooms. With the new, comfortable furniture and bathrooms, the recreation of our guests is more comfortable.

## TRAINING, TEAMBUILDING

The main profile of the institution is to provide a scene for educational courses and team building activities.

There are more conference rooms in the building, which were also modernized and re-designed through the reconstruction project. Various and tasty foods are waiting for the guests in the restaurant.
